

## **Who we are**

Our website address is: [www.myclubspot.co.uk](http://www.myclubspot.co.uk)

## **What personal data we collect and why we collect it**

### **Cookies**

This Cookie Policy explains what cookies are and how we use them. You should read this policy to understand what cookies are, how we use them, the types of cookies we use i.e, the information we collect using cookies and how that information is used and how to control the cookie preferences. For further information on how we use, store and keep your personal data secure, see our [Privacy Policy](#).

If you leave a comment on our site you may opt-in to saving your name, email address and website in cookies. These are for your convenience so that you do not have to fill in your details again when you leave another comment. These cookies will last for one year.

If you visit our login page, we will set a temporary cookie to determine if your browser accepts cookies. This cookie contains no personal data and is discarded when you close your browser.

When you log in, we will also set up several cookies to save your login information and your screen display choices. Login cookies last for two days, and screen options cookies last for a year. If you select "Remember Me", your login will persist for two weeks. If you log out of your account, the login cookies will be removed.

If you edit or publish an article, an additional cookie will be saved in your browser. This cookie includes no personal data and simply indicates the post ID of the article you just edited. It expires after 1 day.

### **What are cookies ?**

Cookies are small text files that are used to store small pieces of information. The cookies are stored on your device when the website is loaded on your browser. These cookies help us make the website function properly, make the website more secure, provide better user experience, and understand how the website performs and to analyse what works and where it needs improvement.

### **How do we use cookies ?**

As most of the online services, our website uses cookies first-party and third-party cookies for a number of purposes. The first-party cookies are mostly necessary for the website to function the right way, and they do not collect any of your personally identifiable data.

The third-party cookies used on our websites are used mainly for understanding how the website performs, how you interact with our website, keeping our services secure, providing advertisements that are relevant to you, and all in all providing you with a better and improved user experience and help speed up your future interactions with our website.

## **How can I control the cookie preferences ?**

Should you decide to change your preferences later through your browsing session, you can click on the "Privacy & Cookie Policy" tab on your screen. This will display the consent notice again enabling you to change your preferences or withdraw your consent entirely.

In addition to this, different browsers provide different methods to block and delete cookies used by websites. You can change the settings of your browser to block/delete the cookies.

## **Embedded content from other websites**

Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.

## **Comments**

When visitors leave comments on the site we collect the data shown in the comments form, and also the visitor's IP address and browser user agent string to help spam detection.

## **Media**

If you upload images to the website, you should avoid uploading images with embedded location data (EXIF GPS) included. Visitors to the website can download and extract any location data from images on the website.

## **How long we retain your data**

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognise and approve any follow-up comments automatically instead of holding them in a moderation queue.

For users that register on our website (if any), we also store the personal information they provide in their user profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also see and edit that information.

## **What rights you have over your data**

If you have an account on this site, or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes.

## **Where we send your data**

Visitor comments may be checked through an automated spam detection service.
